ColorID, LLC Announces New Expansion

ColorID expands facility to keep up with sales and service growth.

CORNELIUS, NC – April, 2004—ColorID, LLC announced today that they have moved into a newly expanded headquarters building. President Gary Smith stated, “By doubling the size of our office and warehouse space we will better be able to service our customers needs and continue the expansion of ColorID”. ColorID’s new addition has also greatly enhanced their in-house service bureau and service department capability by quadrupling the size of this space.

ColorID is a leading identification system supplier to the security card industry in the US and Europe. ColorID supplies a full line of security and access control card products, including ID printers, pre-printed cards, blank cards, software, ribbons and supplies. Products supported include Fargo, Datacard, Eltron and Nisca printers and supplies. You can reach ColorID at 888-682-6567 or visit their web site at www.colorid.com.
