ColorID, LLC Announces New Partnership with OneCard Solutions

ColorID Expands Campus Card Solutions and Services Customer Base into European Higher Education Market.

CORNELIUS, NC – July 2, 2004 —ColorID, LLC and OneCard Solutions announced today a newly formed partnership between the two companies that will provide campus card solutions to the European University and College market. OneCard Solutions, which is headquartered in Waterford, Ireland, is one of Europe's leading providers of one-card campus solutions in the higher education market. ColorID is a leading provider of campus card solutions in North America.

ColorID's Executive Vice President Danny Smith stated, "We are extremely excited with our OneCard partnership. We believe the combination of OneCard's flexible campus card solutions and ColorID's campus card system's expertise will provide a rich partnership that will benefit both companies and our European customers."

OneCard's Business Manager Maire Jackman also stated, "I believe our partnership with ColorID will allow us to deliver tremendous value and benefits to the European higher education campus card customers."

About ColorID

ColorID is a leading identification card system supplier to the campus card industry in the US and Europe. ColorID supplies a full line of campus card production stations, ID printers, pre-printed cards, blank cards, contactless proximity cards software, ribbons and supplies. You can reach ColorID at 888-682-6567 in the USA and Canada, or 704-987-2238 outside of the USA. You can also visit their web site at www.colorid.com.
